Volleyball

Varsity Squad
Michelle Brown, Capt. Jeanne Pulver, Squad Leader, Cheryl Ostroski, co-capt. Linda Grey, Cathy Wyman, Jean Schultz, Kim Cannon

The Volleyball Team was divided into the Varsity and Second Team. During the second half of the season the girls used a rotating system, so that everyone could be either capt. or co-capt. of the teams.

Thanks goes to Becky Burnham, official scorekeeper, and managers Clarence Parent, Kathy Rushkowski, Amy Elliot and Tracy Griffin.

The overall record of the Varsity Team was 6-7 and league record 3-7, which resulted in a fourth place standing. The second team's overall record was 7-6 and came in second place.

softball

For the second straight year, the softball team finished a strong second place, narrowly edged out of the championship by Rhinebeck. Mr. Friedmans' team was largely composed of underclass-women and expects this year's team to be equally successful.

Teresa Mostachetti was elected to the 1st All-Star team, for the second time and Johanna Hamel was elected to the second team. However, the play is the real key to winning softball and the Dover girls seem to work well together to produce one of the more successfull teams in our interscholastic programs.

1978 was a great year for the Dover football team. Marking only the second time in history, Dover tied for the Bi-Valley Championship. They feel that they can justifiably call themselves "The Champions" since in a head to head meeting between Pine Plains and Dover, we thoroughly dominated them 30-6. The victory, as well as all their victories can be attributed to a total team effort. Some members were fortunate enough to receive special All-Star mention, but we feel that the real key was that every week, Dover fielded the best 35 players.

The girls team defeated Pawling, Webatuck and Rhinebeck. All records set for the girls were new because they never had a team. The Girls took fourth in the league.

This was the first year that we've had a Junior High Track Team in over years.

We were tied with Pine Plains for the best record in the Bi-Valley.

Of the 17 events that the team members participated in, 12 new Jr. High School Records were set by this years team members.

Class of '83

The eighth grade class has four main activities throughout the year. First they have a magazine campaign to raise money for the class treasury. In the spring the class goes on a trip - usually to New York City for a day at a play or show. In early June, there is an eighth grade buffet supper and dance. Jr. High School ends with eighth grade graduation.

CLASS OF '81

The tenth grade started raising money at the beginning of the school year. We had bake sales, one at the Grand Union in Dover, and one at Mostachetti's Store in Wingdale. They were both very successful.

At the end of October, we began selling candles, which sold like hotcakes and made perfect Christmas presents. We made a large profit from the candles and made a lot of people happy.

Our dance on December first was very successful. It was the first dance of the year.

Many other activities are planned for the spring.

Secretary: Leslie Heinrich
Treasurer: Jean Schultz

We had our first class meeting and chose our prom theme--perhaps the most important choice of our year--'Wonderful Tonight' by Eric Clapton.

Those of our class who wanted to participate in planning our Jr. Prom divided themselves into several committees and chairmen were elected.

As for the fund-raising part of our year, we sold wrapping paper and tags, and we are going to have our spaghetti dinner, and many other fund-raising activities.

We are planning and hoping for a very successful prom and we would like to thank everyone in the class for cooperating in what is very well the most hectic year of our high school life thus far.

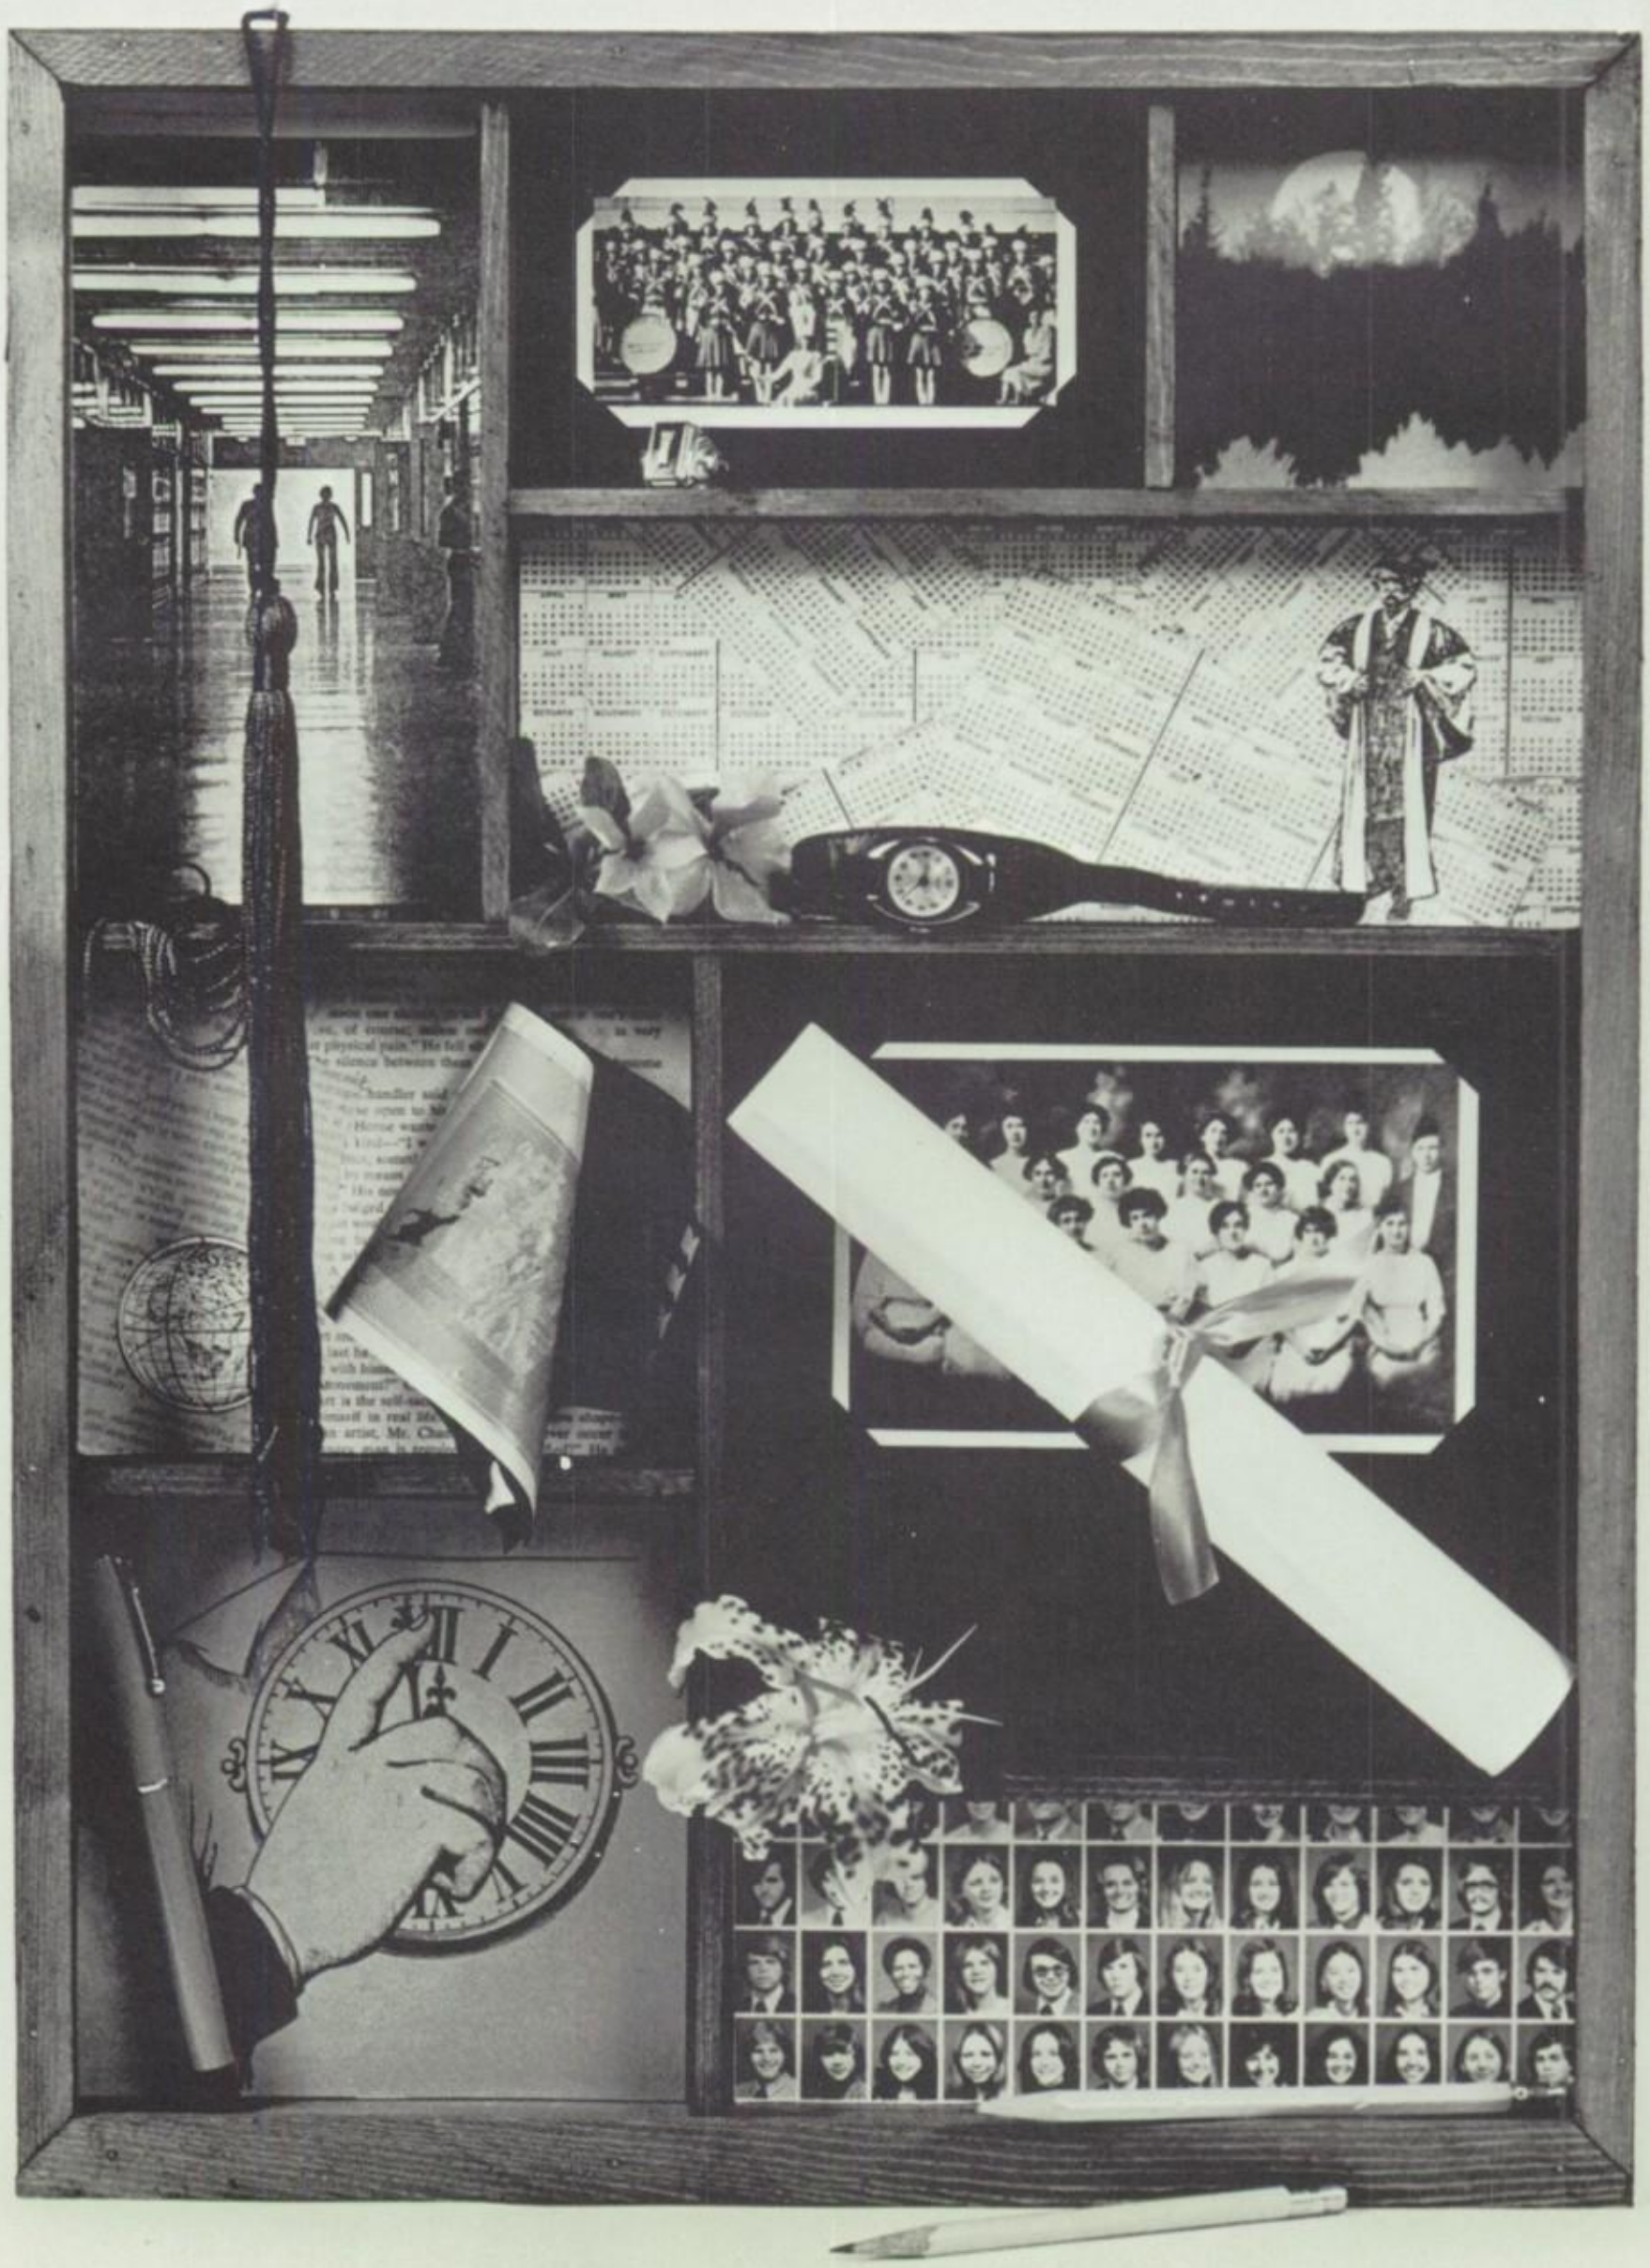
SENIORS



I dislike hiding. Honestly!
I dislike the superficial game I'm playing, the phony game.
I'd really like to be genuine and spontaneous, and me,
but you've got to help me. You've got to hold out your hand,
even when that's the last thing I seem to want.
Only you can wipe away from my eyes the blank stare of
breathing death
Only you can call me into aliveness.
Each time you're kind, and gentle, and encouraging,
each time you try to understand because you really care,
my heart begins to grow wings, very small wings, very feeble
wings, but wings
With your sensitivity and sympathy, and your power of under-
standing,
you can breathe life into me. I want you to know that.

Dedication

We proudly dedicate the 1979 Doverian to a classmate and a loving friend--Linna-Jo Ann Wood.

Linna was a person you could talk to if you needed someone to confide in, and to listen to, if you needed words of advice or comfort. She would also rejoice with you, if you had something great to share. Her warm smile and happy laugh were all that were needed to make your happiness complete.

Linna was a leader, a partner, and a terrific person. All who knew her loved her.

Our memories and our love for Linna, and her love for us, will always be in our hearts.

The darkness fades away
a new day begins

A fresh start, another chance
new friends
new places
new rainbows

As the darkness fades in
and that new day ends

We remember
old friends
old places
old rainbows

And we smile . . .
the old and the new join

With the past at our backs
and all our future ahead . . .

I want you to know how importat you are to me,
how you can be the creator of the person that is me if you choose to.
Please choose to. You alone can break down the wall behind which I tremble
you alone can remove my mask.
You alone can release me from my shadow-world of panic and uncertainty
from my lonely person. Do not pass me by.
Please . . . do not pass me by.
It will not be easy for you.
A long conviction of worthlessness builds strong walls.
The nearer you approach me, the blinder I strike back.
I fight against the very thing I cry out for,
but I am told that love is stronger than walls, and in this lies my hope.
Please try to beat down those walls with firm hands,
but with gentle hands-for a child is very sensitive.

Who am I, you may wonder. I am someone you know very well.
For I am every man you meet and I am every woman you meet.

In Memoriam
Harold Joseph Smalley

Even though we really didn't know you
things just happen we can't understand
and what we all mean to each other
is beyond our minds to see
but in each death
there goes a part of everyone
but more than that
each life that came to be
carries also in its heart
some little piece of us
so we know your passing
is just a twist in time
those who were close will miss you most
but we're all a part of one Great Heart
on the other side of time . . .

All of us on staff this year found producing our yearbook to be a lot of fun and an experience we would not have wanted to miss. We have many people to thank because without them all our efforts still could not have made our yearbook. Special thanks to Mr. Feidler and Mr. Whitney, to our Yearbook Representative Mr. Kevin Byrnes, and a lot of thanks to Mrs. Wamsley who probably cooked enough hot dogs this year to last her a lifetime.
